

Sensitive BP 9 10/15/05

Exhibit F

I Submit This in Order for This office to Request the Video Tape From A-Rang. For The Following dates 10/15/05 @ 7:00 AM, 10/18/05 @ 7:00 AM, 2:20 PM This stems from an Incident that started on 10/15/05 where Ernst P. Douthett came to my cell to do a T.B Test. Mr. Douthett had a Bag of Needles filled with Unknown fluid. I Explained to Mr. Douthett That I have a pending Medical leave so when F.C.I McKean are the administrators and I would like to Talk to The health administrator R. Smith Because we are supposed to see what the Needles are filled up with I went on to explain that I almost died Twice at The hands of F.C.I McKean and recently had a Call with The judge Susan P. Batten out of Erie, PA CH No. 04-335E and The region was on The phone Mrs. Diana Jacobus here. I explained I wasn't refusing But I wanted to Talk to Mr. Smith. Mr. Douthett said he filled all the Needles up at the hospital the same time and why was I complaining. I again said I wanted to see Mr. Smith and was Not refusing. On 10/18/05 at 6:35 AM Mr. Douthett came to my cell and said that Mr. Smith said for me to take the test and I again explained That I was Not refusing But wish to speak to Mr. Smith first. Mr. Douthett Became agitated and stormed off. On 10/18/05 at 1:05 PM I Received a Incident Report for Code #307 Refusing To Obey an Order of High Staff Member by Mr. Douthett given By Lt. Fiorentino. On 10/18/05 at 2:07 PM Mr. Smith and Mr. Douthett showed up at my door where I explained My Situation to Mr. Smith. I explained That Mr. Douthett had lied and wrote me a shot where I did Not refuse and Mr. Douthett in front of Mr. Smith admitted what I said was true and correct. When I asked Mr. Smith to write Mr. Douthett Statement on My Incident Report and I would be

glad to take the T.B. Test with Mr. Smith since he had the
 Needle and Container of Fluid present in front of me. Mr.
 Smith started writing Mr. Douthitt's statement on my incident
 Report But became agitated by some inmates on the Range
 and walked off to another cell and talked to an inmate
 at that time he came back and closed my cell door
 slot very agitated and left. A Clear Review of the surveil-
 lance Tapes of the Mention dates shows my complaint
 is true. I request Mr. Lee interview or someone from the
 office in order to clear me as can be clearly seen Mr.
 Douthitt going cell to cell giving inmates T.B. Test with
 a Bag of Needles

Thank you
 E.S.
